

B. C. S. Bulletin To Old Boys

VOL. XIII No. 1

COMPILER: H. L. HALL, M. A., ('16-27)

NOVEMBER 1953

THE HEADMASTER'S MESSAGE:

The School has had two excellent examples recently of how Old Boys can help. The first came at Thanksgiving when, over and above a pleasing attendance, the Old Boys gave the first team a keen and clean, though not lopsided, football lesson. We won the Shirley Russell Cup the following Saturday. The second was the most enjoyable squash exhibitions and matches over the same week-end. We are indeed grateful.

The lessons were brought home to the School: many persons, Old Boys as well as masters and parents, are willing to work for their benefit. The only way they can show their thanks is by trying to build a better school; by working towards that end in the classroom and in all activities.

Perhaps there may be a lesson for some Old Boys here too. The way they can help the School in which their interest is manifest is by their activity. We appreciate that help and every school needs it.

Please come to visit us soon. Perhaps we can show you some new things, and certainly we are only too willing to learn any lessons you may have for us. In any case, it is always a pleasure to see you.

In this issue of the Bulletin, we pay tribute to our Association whose strength has been developed over the years through the united efforts of its members. Especially do we remember those Old Boys who, back in 1931, revived the Association which had been formed in 1910 which, likewise, had revived the first Old Boys' Association ever formed, so far as we know, in 1904. That the aims and ideals of the Association have been, and are being, upheld is attested to by the generosity of the Old Boys in contributing to the following substantial achievements: 1935-36: raising almost \$90,000. 00 for the Grant Hall Memorial Building (the Preparatory School); 1937: the founding of the Old Boys' Scholarship; 1946-48: raising almost \$185,000.00 for the Second World War Memorial Buildings; 1951: a generous cheque to provide books for the Peter Holt Memorial Library; 1952: raising almost \$12,000.00 to provide two Squash Courts at the School. Such achievements are visible evidence of the strength of the Association, and the influence for good that it exerts. May it continue to prosper is the wish of its many members.

The School gratefully acknowledges the following gifts and expresses its thanks to the donors:

A cheque for \$5,000.00 from the St. Lawrence Corporation Limited, Montreal, for the Physics and Chemistry Laboratory.
A collection of valuable books donated by James C. Routledge ('09-'17), Georgeville. P.Q.
A gift of a group of books on the Coronation from Mr. and Mrs. A. Murray Vaughan.
A balance for the Physics and Chemistry Laboratory from T. H. P. Molson ('16-'18).

Numerous Old Boys no doubt read with interest and pleasure, the article based on the life of the Rawson family written by Dr. W. O. Raymond, former Head of the English Department at Bishop's University, and which appeared in two consecutive Saturday editions of the Montreal Gazette during July.

THE THANKSGIVING WEEK-END: OCTOBER 10-12

Another Thanksgiving week-end has come and gone; and judging from all accounts, it was an excellent one. With the School enrollment at a record ---199, an increase of 15 over last year --- attendance over the week-end was about 750, of whom about 90 were Old Boys. To accommodate the large number, Sunday morning service was held in St. Peter's, Sherbrooke, at 9.45, and even with its large seating capacity, the church was filled. Mr. Cooper, student at Bishop's University and School organist, was at the organ, and the Chaplain and Choir director, the Rev. H. G. Forster, conducted the service and preached the sermon. The Choir sang the Te Deum and the Anthem, "Sing, O, Heavens". The singing was excellent. restraint and clear diction being most discernible. Selecting sentences from the General Thanksgiving as his text, the Chaplain called upon us to be grateful 'for our creation, preservation, and all the blessings of this life' and reminded us of the horrors of war which we in Canada had been fortunate to escape. Continuing the theme of gratitude, by translating it from words, so easily spoken, to the carrying out of specific actions, and paying a fine tribute to Mr. W. Page, the chaplain concluded by saying that if ten Old Boys or guests were willing to contribute \$100 each to commemorate in a grateful manner the work accomplished by Mr. Page, then he, too, would contribute a like amount. (The Chaplain is happy to announce that by lunch on Sunday he had made his donation, and by Monday evening there were 20 contributors.) Sunday afternoon, the Headmaster and Mrs. Glass were At Home from 4. 30 until 6. 00 for the many parents, Old Boys and members of the staff. Our thanks to them for their kindness in entertaining us and giving us the opportunity of meeting together in such friendly surroundings. Monday morning, about 25-30 Old Boys took part in the Annual Old Boys VS School rugby game which the Old Boys won. 18-13. A delicious lunch --- for which we congratulate the Chef and his kitchen staff --- was served at two separate sittings, after which Prize-Giving was held in the Gymn at 3:00. Seated on the platform were: The Chairman of the Board of School Directors, Mr. Justice W. Mitchell ('16-'19; '23-'26); Brig. A. H. Gault ('95-'97), D.S. O., Guest of Honour; The Headmaster; Brig. J. H. Price ('09-'15); Col. W. W. Ogilvie ('17-'22); Col. H. C. MacDougall ('16-'22); T. H. P. Molson ('16-'18); R. R. McLernon ('26- 30); E. Webster; G. A. Sharp ('23-'28); D. Doheny ('27-'34); F. R. Pattison, Esq., M.A., the assistant Headmaster; Col. E. G. Brine, Master-in-charge of the Prep. The Chairman welcomed the many guests to the School and on their behalf thanked the St. Lawrence Corporation, Montreal, for its generous gift of \$5,000. to be devoted to the Physics and Chemistry laboratory. Before calling upon the Headmaster to address the audience, the Chairman spoke of the great interest in the School which the Headmaster always showed in performing his duties and the inspiration he was to the boys who looked up to him for leadership and guidance. The Headmaster, the main speaker of the afternoon, then delivered an excellent address, outlining what B. C. S. was trying to accomplish in the realm of education, and stressing four basic objectives for schools: formal, physical, religious and social education. Emphasizing the point that formal -- or book -- education was the boy's business, the Headmaster stressed the importance of a high academic standard and concluded by saying that he and his staff would work diligently toward this aim. Brig. J. H. Price, in introducing the Guest of Honour, reminded the audience that Brig. A. H. Gault, a former British M. P., was the organizer of the famous regiment, The Princess Patricia's Canadian Light Infantry. Stating that Brig. Gault was a distinguished Old Boy and that no one could be welcomed back to the School more warmly than he, Brig. Price said that the only good thing he knew that resulted from the Second World War was that it brought back home to Canada our Guest of Honour. Brig. A. Gault then addressed congratulatory remarks to the prize winners and evoked hearty laughter when he consoled the non-prize winners by stating that their opinions merely differed from those of the examiners. He concluded by saying that while most parents are content if their son is a good, average boy, yet leaders must be more than good average boys and our country, our civilization, was crying out for leaders to-day. Prizes were then distributed, after which a tea-dance was held in the Gymn from 4:30 until 7, bringing the week-end activities to a close.

The following Old Boys were present: A. H. Gault; J. H. Price; W. W. Ogilvie; H. C. MacDougall; T. H. P. Molson; D. Doheny; W. M. Mitchell; R. R. McLernon; G. A. Sharp; R. R. MacDougall; P. L. BISHOP'S COLLEGE SCHOOL INVITATION SQUASH TOURNAMENT

The first annual B. C. S. Invitation Squash Tournament took place at the School over the week-end October 24-25. The following Old Boys were present: J. Churchill-Smith ('35-'39); G. A. Sharp ('23-'28); J. L. Rankin ('24-'27); P. McEntyre ('27-'35); C. Flintoft ('37-'44); A. S. Fraser ('39-'45); H. G. Hallward ('40-'44); A. Lindsay ('46-'48); and to them the School expresses its thanks for the opportunity and privilege it experienced and enjoyed in seeing the game played by experts.

A special feature of the week-end was a visit to the School of Mr. Ernie Howard, Canadian and U. S. Singles Champion and first Canadian ever to hold the U. S. title. On Saturday, he played an exhibition match against Mr. Hamilton Quain, an ex-Intercollegiate Champion and Runner-up in the Provincial singles for the past two years. On Sunday, Mr. Howard played Mr. Douglas McLaggan, professional at the Montreal Badminton and Squash Club and Canadian Open Champion, thus bringing together two of the finest players in North America.

Montrealers who took part in the Tournament were: G. Valois, J. Spencer, J. Foy, B. Bassett, R. Mahon, J. Riddell, P. McKell, P. Heller, L. Webster, and the following Old Boys: H. Hallward, J. Churchill-Smith, P. McEntyre, C. Flintoft, A. S. Fraser, A. Lindsay. The Umpire-in-Chief was J. L. Rankin and Mr. W. Traviss, Toronto, President of the Canadian Squash Association was present for the matches. The winner of the tournament was J. Foy and runner-up H. G. Hallward ('40-'44).

Saturday night, the above-mentioned Old Boys, under the chairmanship of J. Churchill-Smith, entertained at Dinner at Elmwood, Lennoxville, the following members of the School Staff: the Headmaster, C. L. O. Glass ('28-'32); F. R. Pattison; E. A. Lunderville; J. G. Patriquin; R. L. Evans, H. L. Hall ('16-'27); E. B. Pilgrim; Capt. S. F. Abbott. After introducing those present at the dinner to one another, the Chairman expressed thanks to Mr. Lunderville for the great part he had played in getting the courts built and on behalf of the Old Boys, presented him, as a token of their appreciation, with a cheque. The Headmaster, in expressing thanks not only for himself but also for the other members of the Staff present for the kind invitation to the Dinner, said that it was a pleasure to welcome the players to the School and concluded by stating that it was a great privilege to be able to see such matches as had been played that afternoon and thanked Churchill-Smith and the other Old Boys for their kindness in making such a week-end possible. Mr. W. Traviss expressed his appreciation of his first visit to the School and the Townships, spoke of Churchill-Smith's efforts in advancing the game and hoped that squash at B. C. S. would become one of the favourite games. J. Rankin offered a few words of caution, especially for those first starting to play the game. Mr. Ernie Howard expressed his appreciation of the kind reception he had been given and spoke of the value to be derived from the game of squash. Again, the School thanks those Old Boys who made possible the Courts at the School and expresses its appreciation of the interest and enthusiasm shown by the organizers of the First Invitation Tournament under the chairmanship of J. Churchill-Smith.

INTERESTING FACTS PERTAINING TO THE ASSOCIATION

Through lack of information and records, we can only assume that, prior to 1904, Old Boys of the School had no separate Association of their own but used to join graduates of the University at special banquets and dinners. In 1904, we read of the following Old Boys being elected officers of the newly formed B.C.S. Old Boys' Association: H. W. Molson ('98-'01), C.M. Holt ('73-'79), G. R. Hooper ('72-'79), R. J. Heneker ('67-'75), Pemberton Smith ('82-'87), E. B. Cochrane ('78-'80), H. Pillow ('96-'01), H.A. Sims ('97-'99). H. H. Sims ('96-'99). We do not know whether a charter had been granted nor how long the association functioned. In 1908, the University and School had become separate institutions. The Rt. Rev. Lennox Williams ('70-'76) and nineteen other Old Boys presented a petition, which was assented to by Charter on June 4, 1910, to form an Association known as the Old Boys of Bishop's College School. The activities of this Association were, no doubt, interrupted and curtailed due to the exigencies of the First World War. On December 19, 1931, a Dinner was held under the chairmanship of T. H. P. Molson ('16-'18) in the Mount Royal Hotel at which, due to the fine efforts of H. C. MacDougall ('16-'22) and G. H. Cook ('14-'17), 132 Old Boys were present. It was decided at this Dinner to revive the Association and 96 Old Boys paid their fees that night. The following Old Boys were elected to office: Hon. Pres.: Sir H. Montagu Allan ('71-'76); Pres: T. H. P. Molson ('16-'18); Vice-Pres: H.C. MacDougall ('16-'22); Sec'y-Treas: Major E. de L. Greenwood ('03-'12); Members of the Executive Committee: R. N. McLeod ('10-'17), H. E. Dwyer ('17-'20), G. H. Cook ('14-'17), R. Morewood ('09-'15). It was hoped to be able to gather together some of the Charter Members of the former Association in order to elect the members so that the Association could function under the original Charter. This, however, proved impossible and J. G. Porteous ('17-'21), the honorary legal adviser, undertook the work of preparing a draft of the By-Laws and petitioning the Lieutenant-Governor of the Province for a new Charter which was assented to on Nov. 29, 1933. The first annual Meeting and Dinner of the revived B. C. S. Old Boys' Association under Charter was held at the Mount Royal Hotel on Dec. 16, 1933, and the officers mentioned above were confirmed in their positions, with the following elected to the Executive Committee: J. G. Ross ('09-'17), A. Y. Wilks ('09-'12), J. G. Porteous ('17-'21). Since that date regular Meetings and Dinners (the latter were suspended during the War years) have been held annually.

The official Old Boys' tie was first adopted in 1937-38.

At the Special Meeting of the Association held at the School, on May 22, 1937, prior to the Centenary Dinner, a resolution was unanimously adopted increasing the annual Dues from \$2.00 to \$3.00 for the purpose of providing funds for a Scholarship to be known as the B. C.S. Old Boys' Association Centenary Scholarship tenable at the School for three years. At the same Dinner, the Ogilvie Scholarship was donated by Col. W. W. Ogilvie ('17-'22). In 1948, he volunteered to merge his with the Old Boys' to provide a greater Scholarship. The combined Scholarships now known as the Old Boys' Scholarship, are worth about \$750.00.

At the suggestion of R. C. S. Kaulbach, Q. C. ('84-'88), Lunenburg, N.S., the Association made provision for Old Boys who wish to become Life Members, thereby making a substantial contribution towards the funds of the Association and, at the same time, avoiding the necessity of making small annual remittances. Mr. Kaulbach became the first Life Member in 1943. In 1945, he was joined by Sir Montagu Allan ('71-'76) and Brig. A. H. Gault, D.S.O. ('95-'97). In 1948, the number stood at six, increased to 19 in 1950 and rose to 26 in 1951. During 1952 the number reached 58 and now stands at 80 living Life Members.

Since October 1952, the following Old Boys have become Life Members: P. Stoker ('31-'38); D. Stoker ('38-'45); F. Mills ('89-'92); N. Hanna ('21-'25); N. MacFarlane ('36-'41); J.
